Purpose of the proposed permanent rule. The purpose of this public hearing is to receive public comment and input on a proposal to make permanent the emergency rule amendments made to 10.2.4 NMAC *Law Enforcement Retention Fund Reporting, Monitoring and Administration*. This rule sets forth procedures : 1) for law enforcement agencies to follow in reporting (or requesting a waiver of the requirement to report) law enforcement officer retention information to DPS in order to obtain monies from the Law Enforcement Retention Fund ["LERF"] to provide retention differential disbursements to eligible officers; 2) that DPS will follow in calculating, disbursing and, in the event of a shortfall in monies in the LERF, reducing the amount of money disbursed to law enforcement agencies for retention differential disbursements for eligible law enforcement officers; and 3) for law enforcement agencies to follow in returning unused monies to the DPS or in appealing DPS's calculation of the retention differential disbursement DPS intends to distribute to the requesting law enforcement agencies.

Legal authority authorizing the proposed permanent rule. The proposed permanent rule is promulgated pursuant to Subsection G of Section 29-11A-5, NMSA 1978 and Paragraph (3) of Subsection H of Section 9-19-4, NMSA 1978.

Summary of the full text of the proposed permanent rule. The proposed permanent rule defines the officers eligible to receive retention differential disbursements from the LERF as those officers who remain employed with the same law enforcement agency "one year and one day after reaching four, nine, 14, 19, or 20 or more years of service" with that agency. Additionally, the rule defined "certified" as "an individual certified as a peace officer pursuant to the Law Enforcement Training Act, Section 29-7-1 to 29-7-16 NMSA 1978." "Eligible law enforcement agency" means an agency eligible to receive monies from the LERF because the agency: (1) has, prior to June 1 of the reporting fiscal year, made a request for monies from the DPS and included in that request the information on which the agency is required to report under Section 9-19-14 H and this rule; (2) is, at the time of submitting the request for monies to DPS in compliance with that portion of the Law Enforcement Training Act that requires every law enforcement agency to submit a quarterly report to the director of the law enforcement academy and the New Mexico law enforcement standards and training council; and (3) has, at the time of submitting the request for monies to DPS, submitted the agency's most current roster of full-time certified law enforcement officers, including commission dates, to the New Mexico law enforcement academy. The proposed permanent rule also adds to the

“Law Enforcement Academy” definition to include “standards and training council, its predecessors, or successors.” The proposed permanent rule also adds to the “Salary” and “Years of Service” definitions the requirement that the eligible person be a “full-time, certified” law enforcement officer. In the Reporting Requirements section of the rule, the proposed permanent rule adds the following: “In order to receive funding for retention differential disbursements, the law enforcement agency must, at the time of the request, be in compliance with the in-service officer training and reporting requirements of the New Mexico Law Enforcement Training Act set forth in Section 29-7-7.1 and Subsection E of Section 29-7-7.2 NMSA 1978. In order to receive funding for retention differential disbursements, the law enforcement agency must have submitted the agency’s most current roster of full-time certified law enforcement officers, including commission dates, to the New Mexico law enforcement academy no later than April 1 of the reporting fiscal year. The rule sets forth the information the law enforcement agency must report to DPS in order to receive monies from the LERF for retention differential disbursements and requires the agency to submit the required information no later than May 31. Assuming sufficient funds are available in the LERF to satisfy all requests, the DPS will calculate and disburse to the requesting law enforcement agency an amount equal to five per cent of the officer’s salary on the date the officer completed four, nine, 14, 19, or 20 or more years of service with the requesting law enforcement agency, together with an amount equal to the employer’s tax liability for the disbursement. DPS will disburse the LERF monies to the law enforcement agencies on December 15 of the fiscal year in which the officers are projected to be eligible for the same. The law enforcement agency in receipt of disbursed funds will place them in an interest bearing account and disburse the monies no sooner than the date the officer attains eligibility and no later than 30 days following the date of eligibility or the date the law enforcement agency receives the disbursement from DPS, whichever occurs last. The law enforcement agency disbursing funds is required to report the date of disbursement and the date of payment of the employer taxes on the DPS portal. Within 60 days after the end of the fiscal year in which monies from the LERF are disbursed by DPS to a law enforcement agency for retention differential disbursements and no later than August 31, any law enforcement agency which has not disbursed all monies provided, shall return the same to the DPS, together with any interest earned on the funds, in the form of a check. The law enforcement agency shall also report to the DPS the names of those officers who received a retention differential disbursement, the names of those officer who were projected to, but who did not receive a retention differential disbursement, the amounts returned, broken down by retention differential disbursement, employer tax and interest earned, and the reason any retention differential disbursement was not made. In the event that there are insufficient monies in the LERF to fully fund all the retention differential disbursement requests, the DPS will reduce the amount to be disbursed to each law enforcement agency on a pro rata basis to an amount permitted by the monies available in the LERF. The rule also sets forth a process by which a law enforcement agency may seek reconsideration and review of the DPS calculation of each retention differential disbursement and the employer taxes thereon.
